Re: University of Adelaide – Semester 1 Projects 2008

Dear Martin,

Yesterday we carried out our internal close out meeting for the above project of which you and your company were involved in the works.

As part of the trade contractor review we are delighted to say that as a team we rated Poly Tech as **Excellent** in the main categories of Quality, Reliability and Safety.

We would like to take this opportunity to thank you for efforts in providing this excellent service and hope that you will pass this appreciation on to all of your team.

We look forward to working with you again in the near future.

Yours faithfully,
BMD e*3 Pty Ltd
